The Yunku Fence

A heavy, tough fence panel 6 feet high and 6 feet wide. Panels are equally attractive from each side. Panels attach easily to locally procured treated posts.

Price: \$199 per panel

The Ticul Fence

The Ticul Fence was inspired by the Japanese Nanzenji fence and consists of compressed bamboo branch material alternating with two and three bamboo half-round pickets. The half-round culms are grouped three on one side of the fence and two on the other side.

Price: \$289 per panel
