## The Tower Floor Lamp

The Tower Floor Lamp is just over 5 ft. high and 16 in. wide. The octagonal shape is composed of more than 1600 individually finished pieces of Iron Bamboo lashed together with leather. Since no two pieces of bamboo have exactly the same diameter, the Tower Floor Lamp has graceful, irregular curved edges.

Price: \$499

## The Tower Table Lamp

Painstakingly handcrafted from 150 hand-finished pieces of Iron Bamboo and securely fastened with genuine leather, the hexagonal Tower Table Lamp is 19 in. high x 11 in. wide.

Price: \$99
